THE ORGANIC PLACE

BECOME A FARM SUPPORTER

Farm supporters have the widest choice of organic food and ethical goods from the best organic retailer in the UK.

In addition to our home grown meat, vegetables and soft fruit, we stock everything from aduki beans to fair trade toys, from organic ice cream to organic cotton baby clothing.

As well as using your account in the shop and fully licensed restaurant, we can deliver exactly what you would like directly to your door every week.

You also join a growing group of people who want to know where their food comes from and how it's grown. We encourage farm visits.

You will benefit from

- A friendly shopping service.
- A home delivery service.
- A work delivery service.
- A welcome voucher to spend in our restaurant
- Discounted places on farm events and training courses.
- Reduced rates for hiring the restaurant or tipi for private parties.
- Farm loyalty points.

How it works

You decide how much you want to spend. Everything you buy from the farm shop or restaurant goes on your account and you pay by standing order. Every two months we balance the books. We keep it flexible and simple.

Future Farmer Award for Sustainable Farming

Delivery days • Wednesday - Penicuik and West Lothian • Thursday - Edinburgh and Midlothian • Friday - West Linton, Carlops, Moffat, Peebles, Melrose and everywhere in between.

WHITMUIR

THE ORGANIC PLACE

JOIN OUR FARM AND YOU WILL HELP...

- A small family farm grow great local organic food.
- Give farm animals a good life: 9 out of 10 pigs prefer to live on an organic farm!
- Hundreds of schoolchildren visit the farm and see where their food comes from.
- Provide great habitats for birds, bees, bugs and beastsies.
- Keep over 20 people in work and train three apprentices.
- Support the small local food producers who supply us.
- Keep money local: every £ spent here generates an extra £1.50 spend in the local community through wages spent locally and supplies bought locally.
- Support traditional breeds of cattle, sheep, pigs, hens and turkeys.
- Lock up carbon - as well as planting woods and hedges, we manage the soil organically.
- Support the future by safeguarding the environment now.
